CAPITAL OUTLAY AND SPACE ADVISORY COMMITTEE (COSAC)

SUBJECT: COSAC Charge

Dear Colleagues:

I would appreciate it if you would serve as a representative on COSAC for the 2007-08 academic year.

Specific COSAC responsibilities are to:

- Review long-range space plans to understand the context of project proposals;
- Review State-funded capital project proposals and recommend priorities; and
- Review administrative space assignment policies, guidelines, and implementation strategies as needed.
- Advise on resource and strategy options for advancing capital improvements that have campuswide implications; e.g., administrative space, child care space, deferred maintenance, energy conservation improvements, facility renewal, fire and life safety improvements, open space improvements, utility infrastructure improvements, etc.

The 2007-08 COSAC membership follows:
